Times and Contexts”*

# 3C-R Pedagogy to Transform Classroom Practices

## 3Cs

- ✓ Connect
- ✓ Concept
- ✓ Context

## Pedagogy

Transform Classroom Practices

# Learning Outcomes

- ✓ Connect lesson
- ✓ Develop concept
- ✓ Contextualize it into real classroom situation

# What is Learning? (your understanding)

1. Changing behavior
2. Process
3. Acquiring knowledge
4. Knowledge transformation
5. Knowing something which is not known to us
6. Gaining knowledge

From discussion with participants

# Why Learning?

1. Changing behavior
2. To change or update
3. Adoption
4. To change belief system
5. For new skills
6. To use in real life situation
7. To solve problems / issues
8. Better life
9. Quality life

From discussion with participants

# How do we learn as human?

1. Experiences
2. Daily activities – involvement
3. Reading
4. Surrounding
5. Copying
6. Interaction
7. Environment and activities
8. Through Sense organ
9. Networking
10. Practice

From discussion with participants

# Let's Explore our Learning

Please read the given passage and answer the passage as instructed.

## Passage

Kumano is a phutondro. It is found in Bhitti. Rahi has bought it from pokendro. It was mandro when it was bought. It will be beauto if it is used in sitromo.

## Questions

<https://forms.gle/UBMabAx8HbiVW8u38>

## **Did you complete your task?**

1. What is photondro?
2. Where does it found?
3. Who has bought it from pokendro?
4. What will happen if it is used in sitromo?
5. What are the noun words used in this passage?

### **Passage**

Kumano is a phutondro. It is found in Bhatti. Rahi has bought it from pokendro. It was mandro when it was bought. It will be beauto if it is used in sitromo.

- Did you complete LSRW activities?
- What is your learning here?
- Did you understand it?

# Reason of not understanding ...

1. New
2. Out of the context
3. Prior knowledge
4. Previous experiences

Is prior learning  
fundamental base of learning?

# Prior Learning

## Context

Apply to real life situation

## Concept

Develop/add new concept  
Investigation  
Task / work to built knowledge

## Connect

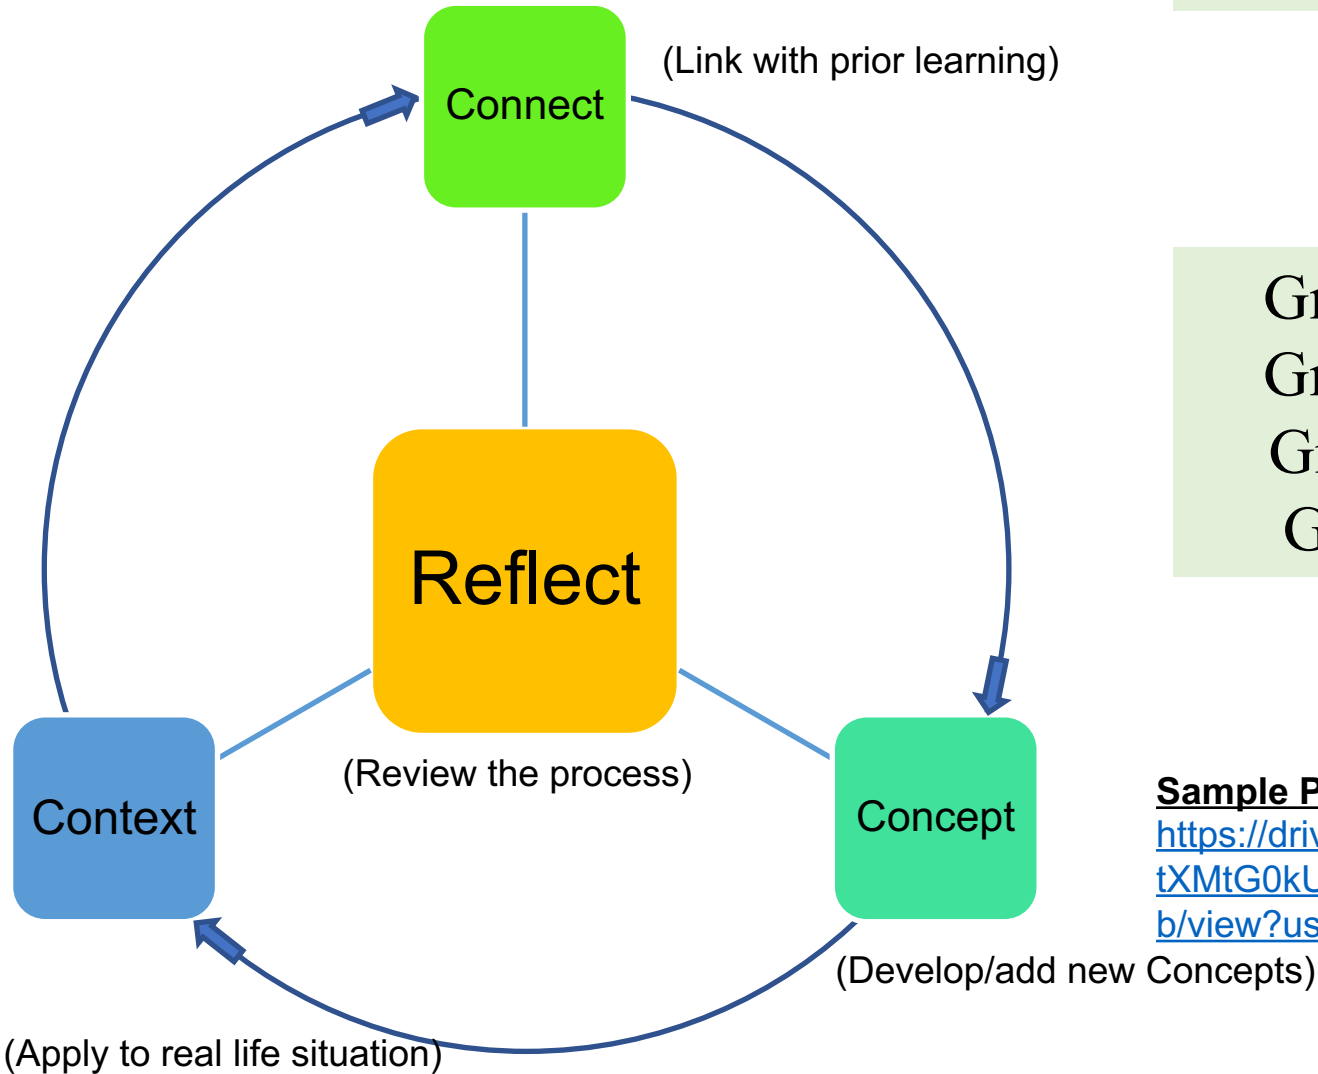

Link with Prior learning,  
Curiosity, Empathize

Reflect (Review the process)

# 3C-R

# 3C-R

Let's see plan as per it and work.

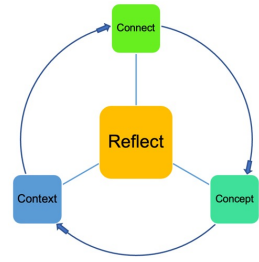

Group 1 – Connect  
Group 2 – Concept  
Group 3 – Context  
Group 4 - Reflect

## Sample Plan:

[https://drive.google.com/file/d/1ZQtz74PtXMtG0kUURok5rsvHVoa4iA-b/view?usp=share\\_link](https://drive.google.com/file/d/1ZQtz74PtXMtG0kUURok5rsvHVoa4iA-b/view?usp=share_link)

# Connect based activities

1. Crafted about knowing body parts
2. Explaining own self
3. As per prior learning
4. Identifying own's body image

Focus on:

Prior learning of the children

Wonders of children

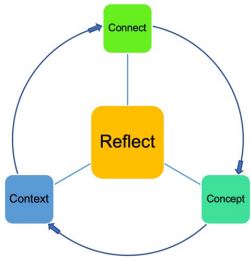

Ideal part

Feeling about topic

Oneself and others

Best out of their understanding

(Link with prior learning)

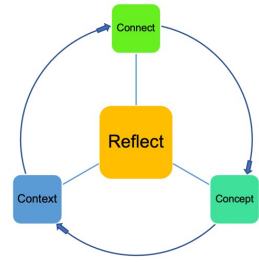

# Concept based activities

1. Interview ...
2. Figure out ...
3. **Investigate** facts as per others
4. Interaction with others - Self realization / analysis / see oneself
5. Self discoveries

(Develop/add new Concepts)

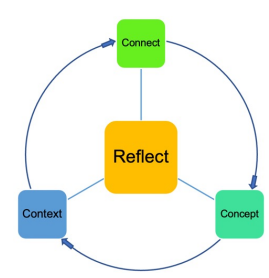

# Context

## 1. Connected with real life situation

Writing letter as per learning  
Guest Sharing – judging

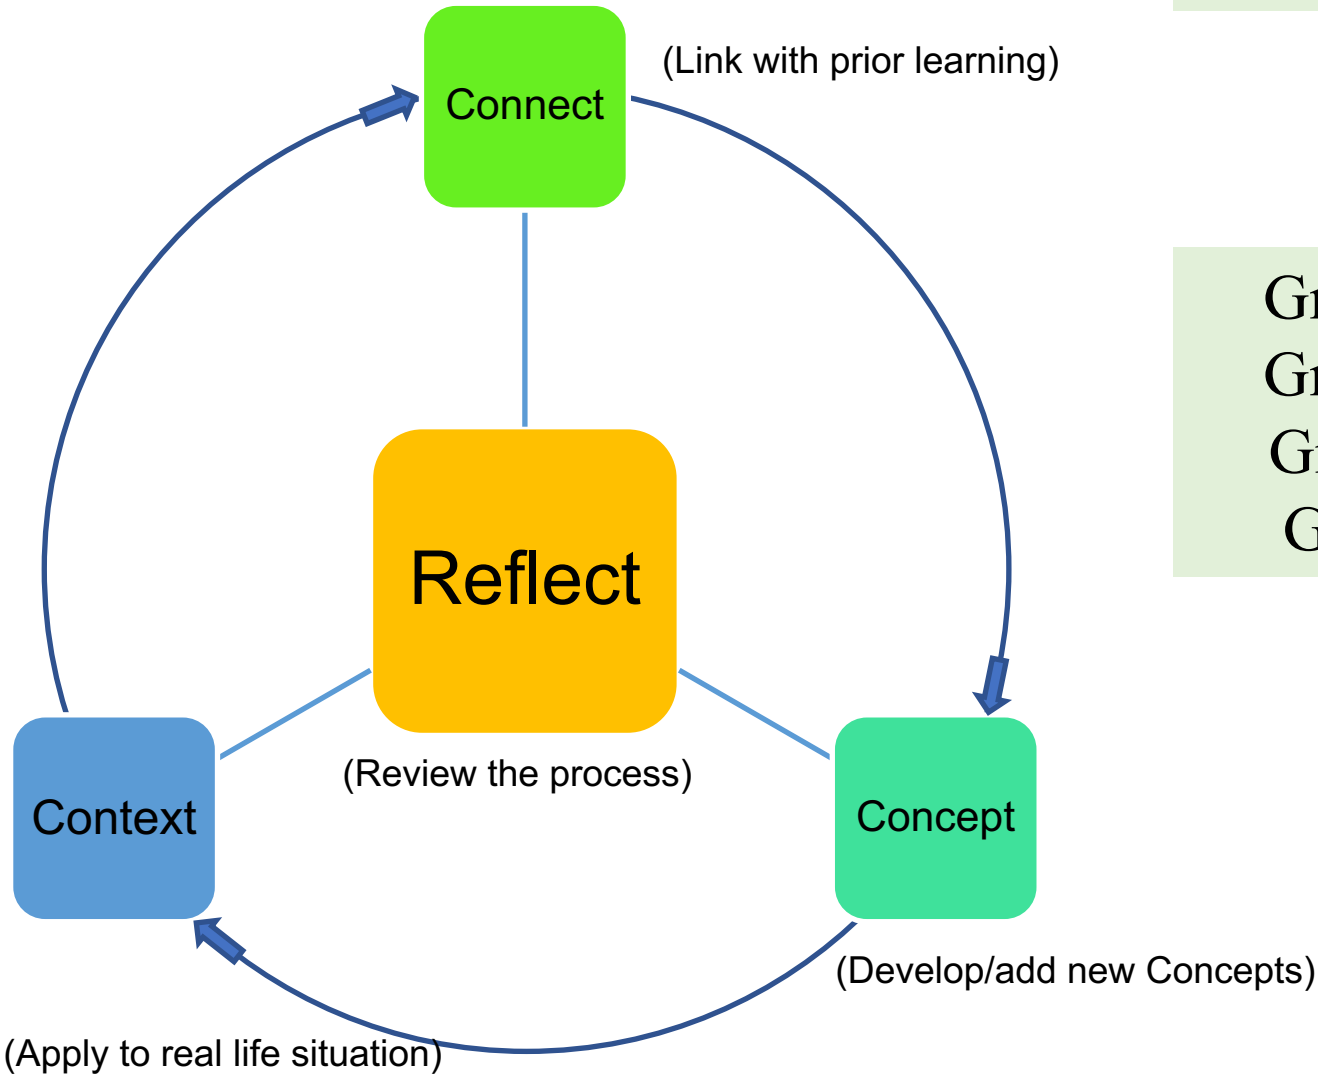

# Reflect

1. Image
2. Act of ...
3. Join all components
4. Assessment
5. Experiences of learning

# 3C-R

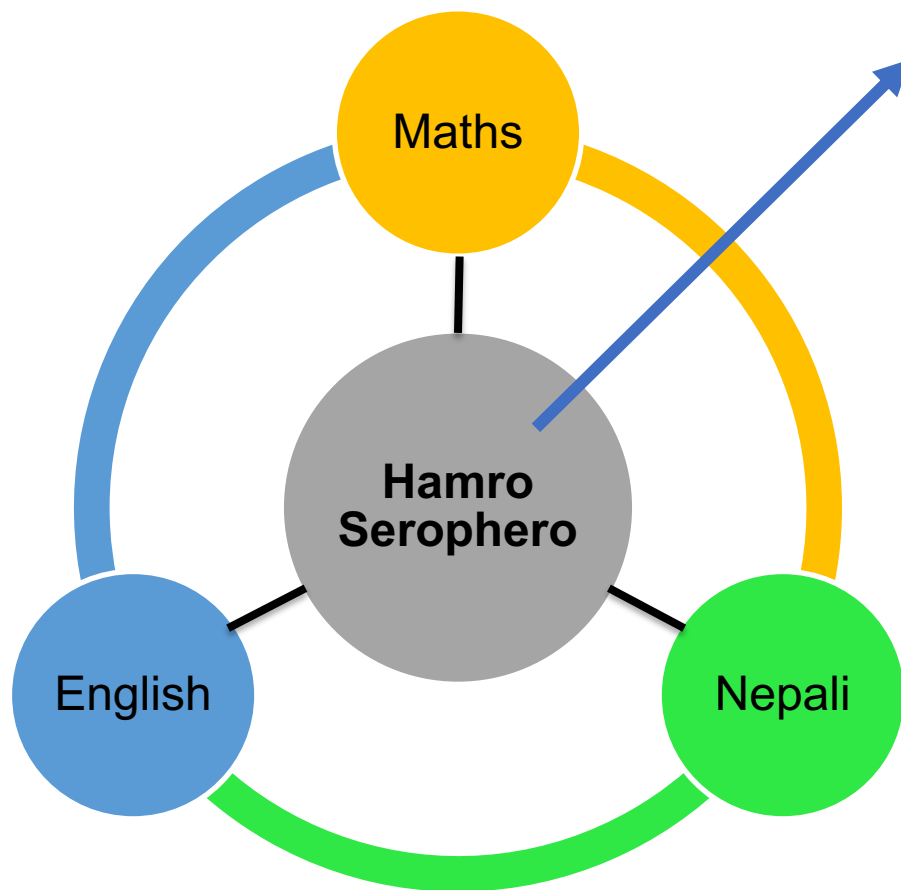

Let's see plan as per it and work.

Group 1 – Connect  
Group 2 – Concept  
Group 3 – Context  
Group 4 - Reflect

# Curriculum (Grade 1 to 3)

(6 to 8 year)

## Transversal / Soft Skills (व्यवहार कसल सिप)

सोचाइ सिपहरू (Thinking Skills) (S1) -5

वैयक्तिक सिपहरू (Intra-personal Skills) (S2) -7

अन्तरवैयक्तिक सिपहरू (Interpersonal Skills) (S3) -5

सूचना प्रविधि तथा बहुसाक्षरता सिपहरू  
(Information communication and multi-literacy skills) (S4) - 5

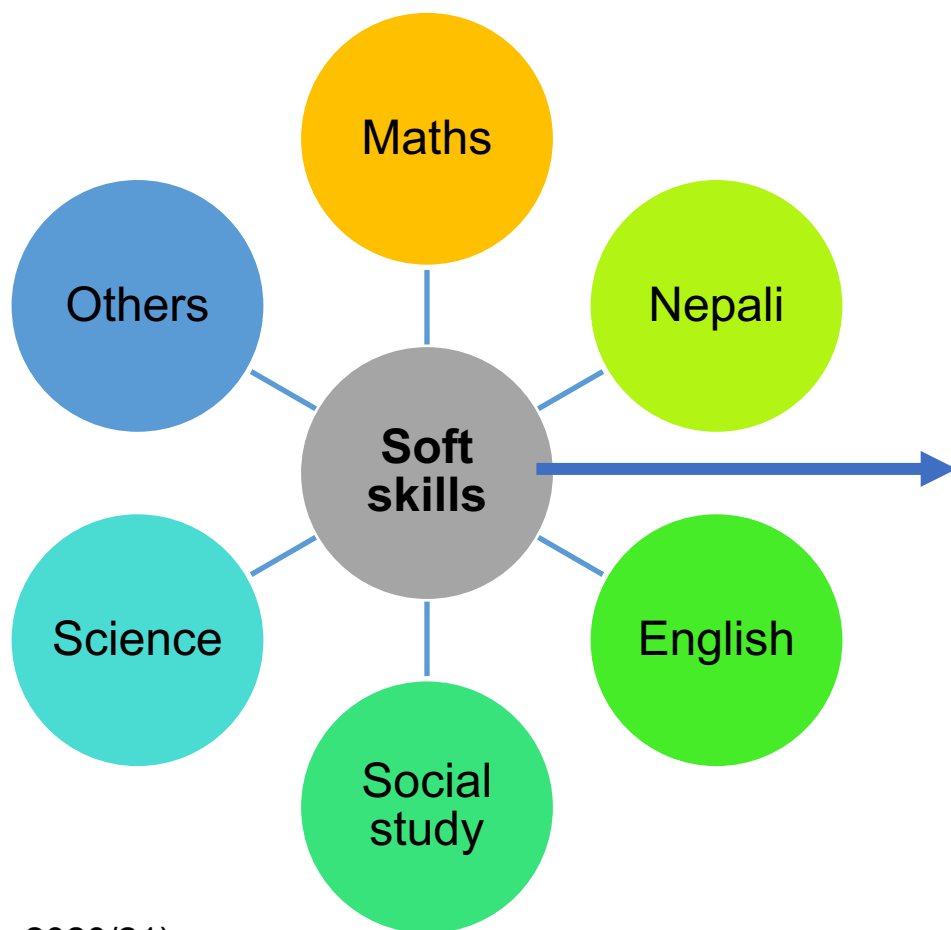

नागरिक सिप (Citizenship Skills) (S5) -7
